I understand that participants will not be allowed to exit and re-enter the program, that latecomers will not be admitted, and that participants must leave the library at 8:00 pm.

While noise level rules will be more relaxed, standard rules of conduct still apply. I understand that participants must behave in a manner compliant with the Library's Rules of Conduct (see the back of this page), and that failure to do so will result in being asked to leave.

I understand that Nerf is an active sport involving projectiles. I agree not to hold the Grande Prairie Public Library responsible for any accidents or mishaps.

I have read the Rules and Equipment Restrictions and agree to follow them. I understand that if these rules and restrictions are not followed it could result in the following potential consequences: equipment being confiscated for the duration of the program, being asked to leave the program, and may be banned from future programs.

I agree that I have read this form and I answered truthfully. I understand that if any of the information is untrue the participant may be banned from future programs.

**Those 18 years of age can sign for themselves.**
